### To whom it may concern

This is to certify that **Mr. Harsh Maurya (20117056)** from the Indian Institute of Technology Roorkee, Roorkee, has completed his internship under the **TechSarathi scheme, IIT Roorkee**, from **15th May 2023 to 07th July 2023**.

During his internship, he worked on app development tasks and specifically created an application for BhuAmrit, a farmer-producer organization, to handle their product packaging and delivery needs.

He is an honest, hardworking, and sincere. I believe that he will progress well in his professional career. I wish him all the best in his future endeavors.
